MEMORANDUM FOR: General Counsel
FROM: Director of Central Intelligence
SUBJECT: Charter Testimony

Thanks again for the support in preparing for the testimony on charters. There are only three follow-up actions in my mind:

a. A quick development of legislative history language to bridge the gap between us and the committee on prior notification and totality of access. It seems to me that we have to come up with a proposal here if we are going to have much hope of getting these legal provisions changed.

b. A better explanation than I was able to give on the scene of the dropping of "any significant activities."

c. A thorough marshalling of our best ideas on the two key subjects for use by Frank and the other Community leaders next week. ☐
